Words of Welcome

In Christ There is No East or West

In Christ there is no east or west,
In Him no south or north,
But one great fellowship of love
Throughout the whole wide earth

In him shall true hearts everywhere
Their high communion find;
His service is the golden cord
Close binding all mankind

Join hands then, brothers of the faith,
Whate'er your race may be.
Who serves my Father as a son
Is surely kn to me

In christ now meet both east and west,
In him meet south and north;
All Christly souls are one in him
Throughout the whole wide earth

Call to Worship from Psalm 67

As we gather for worship we cry out to
our Father in heaven

Shine your Face upon us, O Lord

You have promised that when we gather
in your name, you are among us, and so
we ask

Shine your Face upon us, O Lord

You promise to draw all nations to
yourself, that we might all sing for joy.
Together. But we are not there yet. We
are divided. We are broken. We are
trapped in darkness. We need you,
Jesus. And so we cry out.

Shine your Face upon us, O Lord

We need your mercy, Almighty God. We
depend upon your grace. Restore us to
the blessed unity found in your Garden
that all might gather and praise your
name. Until that day, illuminate our paths
with the light of your presence.

Shine your Face upon us, O Lord

May God be gracious to us and bless us.
May He make his way known. Let the
peoples praise you, O God! Let all the
peoples praise you!

Shine your Face upon us, O Lord

Fear is a Liar

When he told you you're not good enough
When he told you you're not right
When he told you you're not strong enough
To put up a good fight
When he told you you're not worthy
When he told you you're not loved
When he told you you're not beautiful
That you'll never be enough

(Oh) Fear he is a liar
He will take your breath stop you in your
steps
Fear he is a liar
He will rob your rest steal your happiness
Cast your fear in the fire
'Cause fear he is a liar

When he told you were troubled
You'll forever be alone
When he told you you should run away
You'll never find a home
When he told you you were dirty
And you should be ashamed
When he told you you could be the one
That grace could never change

Let Your fire fall and cast out all my fears
Let Your fire fall Your love is all I feel
Let Your fire fall and cast out all my fears
Let Your fire fall Your love is all I feel

Confession

Learning to be the Light

When the stars came crashing down
In tiny pieces to the ground
I was all alone down here
Trapped beneath the atmosphere
Then I thought somebody called my name
I spun around and caught a flame
I gave into a God I didn't know

And now everything is falling into place
A brand new life is calling
And I owe it all to grace
It's so much brighter living in Your world
Savior what You did for me
You gave me something I want everyone to
see
When we stumble and it all goes wrong
Only You can make it right
So I say oh
I'm learning to be the light whoa whoa
I'm learning to be the light whoa whoa

When a heart is cold as ice
You can't melt it with advice
No one wants to listen to
A list of things they shouldn't do
So I build a city on a hill
And I light a candle on the sill

Knowing You'll be always knocking at the
door

Oh God I just want to love on everyone
All I have is Yours to give
So let the people come

Bridge

I'm learning to be the light
That makes the shadows hide
The light that breaks the curse of pride
The light that takes the weary in its arms
When it all came crashing down
There was only darkness all around
But in the distance I could see a flame

It's so much brighter living in Your world
Savior what You did for me
You gave me something I want everyone
And I mean everyone to see
When we stumble and it all goes wrong
Only You can make it right
So I say oh
I'm learning to be the light whoa whoa
I'm learning to be the light

Sermon

Let Love Win

Lord Your love builds bridges that can not be burned

It speaks truth that can not be learned

It's a treasure we can never earn

It goes places we're afraid of going

It's not a fist it's a hand wide open

Reaching out to the down and broken

We believe Your love is the strongest way
You're tearing down walls and You break our chains

Even in this darkness hope will rise again

When we lay down our weapons we will let love win

(Lord we lay down our weapons and we let love win)

Lord Your love is a friend to its enemies

It takes a hit then turns a cheek

You laid down Your life for peace

Love won't cast a single stone

It's never proven by words alone

You come alive in our flesh and bones

And in our souls

What if fighting for our beliefs

Looks more like surrendering

Though that's the hardest thing

And what if standing up for what's right

Means laying down our pride

Even laying down our lives

Back to School Blessing

Prayers of the People

Benediction

There's a Wideness in God's Mercy

There's a wideness in God's Mercy,

Like the wideness of the sea;

There's a kindness in his justice

Which is more than liberty.

There is no place where earth's sorrows

Are more felt than up in heav'n.

There is no place where earth's failings

Have such kindly judgment given.

There is welcome for the sinner,

And a promised grace made good;

There is mercy with the Savior;

There is healing in his blood.

There is grace enough for thousands

Of new worlds as great as this;

There is room for fresh creations

In that upper home of bliss

For the love of God is broader

Than the measurers of our mind;

And the heart of the eternal

Is most wonderfully kind.

There is plentiful redemption

In the blood that has been shed;

There is joy for all the members

In the sorrow of the head.

'Tis not all we owe to Jesus;

It is something more than all:

Greater good because of evil,

Larger mercy through the fall.

If our love were but more simple,

We should take him at his word;

And our lives would be all sunshine

In the sweetness of our Lord.
